

Ask yourself these questions:

- Have you skipped a dental checkup for financial reasons?
- Are you avoiding a treatment plan of care due to cost?
- Are you frustrated with current dental insurance yearly maximums?
- Does your dental plan have exclusions for elective cosmetic procedures like whitening?

If you've answered **YES** to any or all of these questions then Dr. Molin's exclusive Dental Assurance Plan is right for you!

OUR MISSION STATEMENT

The most valuable asset to a person's well being is optimal health. We will strive to help each individual patient achieve and maintain a healthy mouth through listening and understanding, meticulous diagnosis and service.

Our goals are to educate our patients as to the causes of oral disease, how to definitively treat the disease and help prevent any further disease in the future.

Our patients come to us so that their mouths will look good, feel good and function in a healthy manner. We recognize this profound responsibility and express our deepest appreciation to our patients who have entrusted us to offer and provide nothing less.
